DETAILED ACTION

Allowable Subject Matter

Claims 1-17, 20 and 24 are allowed.

The following is an examiner's statement of reasons for allowance:

Claims 1-17, 20 and 24 are considered allowable for reasons of record set forth in the Office Action of June 27, 2005 with the **correction** that the prior art does not teach or suggest a three unit zoom lens system having a - + configuration. This was a typographical error and Applicants are correct in their response regarding the "Comments Regarding Allowable Subject Matter" in the amendment of September 29, 2005, where the first lens unit is negative and the second lens unit is positive.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
